Subject: TCVP response and transmittal letter for signature and sending to NRDC
Importance: High

Mike,

Thank you for your patience as we've worked to ensure that all of the pieces are ready for your signature, and that the instructions for sending the below email and attachments is clear. The below email should be sent to the following individuals:

To: ifein@nrdc.org, mwu@nrdc.org, pdemarco@nrdc.org
Cc: Eric.Hostetler@usdoj.gov, Wakefield.Benjamin@epa.gov

PRD would appreciate if you would forward Elissa a copy as a confirmation that the email was sent, and PRD will make sure that we notify the rest of the internal EPA team.

There are two attachments, both of which must be signed prior to sending:

- TCVP response transmittal letter (TCVP Response Transmittal Letter_072120)
- TCVP petition response (2020 TCVP Response_Final_072120)

Please let us know if there is any issue in signing the PDFs, and please don't hesitate to reach out to me or Trish with any questions – we're on standby to help with anything needed until these go out today.

Many thanks,
Dana

Dear Ms. Wu, Mr. Fein, and Mr. DeMarco:

Enclosed please find the U.S. Environmental Protection Agency's (EPA or the Agency) response to your Petition entitled "Petition to Cancel All Pet Uses for the Pesticide Tetrachlorvinphos," dated April 23, 2009 and submitted by the Natural Resources Defense Council (NRDC) under the Administrative Procedure Act (APA), 5 U.S.C. § 551, et seq. Also enclosed is the Agency's transmittal letter summarizing EPA's response.

Attached to the enclosed Petition response are the EPA's revised residential exposure and risk assessment, *Tetrachlorvinphos: Revised Residential Exposure and Risk Assessment for the Registered Pet Product Uses* and the addendum to that revised risk assessment *Tetrachlorvinphos: Addendum to the Revised Residential Exposure and Risk Assessment for the Registered Pet Product Uses*. The Petition response including the attached risk assessment and addendum will be posted to public docket for the Petition, EPA-HQ-OPP-2009-0308, and the risk assessment and addendum will also be posted to the public docket for TCVP registration review, EPA-HQ-OPP-2008-0316 in www.regulations.gov.
